**WHEREAS**, on October 23, 2007, the Sacramento City Council approved the 2008-2012 Consolidated Plan. The Consolidated Plan identifies the City's housing and community development needs and describes the long-term strategy for meeting those needs. In addition, it specifically addresses federally funded housing and community development programs to include the Community Development Block Grant (CDBG).

**WHEREAS**, the Department of Housing and Urban Development (HUD) requires the annual submittal of a One-Year Action Plan describing proposed activities and expenditures for the following year using the goals and priorities of the Consolidated Plan.

**WHEREAS**, the Sacramento Housing and Redevelopment Agency (SHRA) annually serves as the designee for the City of Sacramento to administer community development grants originating from HUD.

**WHEREAS**, on July 30, 2008, Congress passed and the President signed into law House Resolution 3221, the Housing and Economic Recovery Act of 2008 (HERA), which authorized a one-time \$3.9 billion allocation to be distributed to the states and local governments to mitigate community impacts resulting from foreclosure.

**WHEREAS**, HUD released the formula and regulations for the new allocation of CDBG under the Neighborhood Stabilization Program (NSP) as prescribed by HERA on September 29, 2008, and a substantial amendment to the Consolidated Plan for NSP funding was to be submitted to HUD no later than December 1, 2008 and approved no later than February 13, 2009.

**WHEREAS**, on October 21, 2008, a noticed public hearing soliciting comments and approving the 2009 One-Year Action Plan containing the Substantial Amendment for NSP and its submission was held by the Sacramento City Council.

**WHEREAS**, on February 24, 2009, the City Council authorized SHRA to amend and submit changes to the Neighborhood Stabilization Program (NSP) in the 2009 One-Year Action Plan to the U.S. Department of Housing and Urban Development (HUD), authorized the City Manager and SHRA Executive Director to execute agreements and contracts with the appropriate entities to carry out the NSP; and authorized SHRA to establish and implement the Vacant Property Program, Morrison Creek Estates Project, and the Property Recycling Program to undertake NSP activities.

**WHEREAS**, in February, SHRA made a commitment to Council to provide frequent and ongoing updates on the status of NSP activities. It was anticipated that program modifications would be brought forward over time to better refine existing operations and to ensure funds are allocated in a timely manner, consistent with funding requirements.

**WHEREAS**, at this time, the Agency is recommending minor modifications to the existing NSP framework, specifically the Property Recycling Program, and additions to the program including partnership with the National Community Stabilization Trust (NCST).

**NOW, THEREFORE, BE IT RESOLVED BY THE SACRAMENTO HOUSING AND REDEVELOPMENT COMMISSION:**
