

# HCV FAQs

(Frequently Asked Questions)

**June 3, 2013 Update**

**Question:** I'm an HCV participant and am moving. When will the rental assistance payments to my new landlord begin?"

**Answer:** The rental assistance payment to your Landlord will begin the later of:

- The date the unit passes inspection
- The date you move in
- The date your voucher is issued
- The day after the lease-end date of the previous unit. The lease end date is the move out date on your written notice to your landlord that you provided to the Housing Authority. (The lease-end date applies to existing participants only, not new voucher holders)
