

HCV FAQs

(Frequently Asked Questions)

August 5, 2013 HCV Update

Question: If my unit has passed SHRA's inspection for the HCV program, do I still need an inspection for the County of Sacramento's Rental Housing Inspection program?

Answer: No, if your unit has passed SHRA's Housing Quality Standards inspection, you may complete the Exemption Form for a waiver for an additional inspection at the Sacramento County's Rental Housing Inspection website:

<http://www.code-enforcement.saccounty.net/Programs/Documents/RHIP%20Exemption%20Waiver.pdf>

For more information on the County's Rental Housing Inspection program, please visit their website at <http://www.code-enforcement.saccounty.net/Programs/Pages/RHIP.aspx>

Please note that your unit is still subject to County and City Code Enforcement, and that participation in the HCV program does not exempt you from Code Enforcement.
