<p><b>Quarterly Activities/ Project Description</b></p> <p>The Township 9 project is design of infrastructure to support 179 units of affordable housing units. Improvements to Richards Boulevard, D Street, E Street and F Street are to be included in the scope of work. Additional design work was amended to the contract as required to be completed for the affordable housing. During the first quarter 2012, construction continued on North 7th Street, Richards Boulevard, Riverfront Drive, Streets D, E, F, Signature and A. A contract for construction of landscape improvement for these streets was awarded to Valleycrest. No CDBG funds are being used to fund construction but a portion of the design costs of all of these improvements. Design of Riverfront Park is continuing.</p> <p>The La Valentina Project is a mixed use project of commercial space and affordable housing. All work funded with CDBG R was completed in third quarter. In the first quarter of 2012 received final and paid final invoice. Project construction will be complete during the summer of 2012.</p>

activities under HPRP for the Public Service Activities.

The infrastructure design to support affordable housing portion is part of a larger catalyst project called Township 9, which is a infill mixed use project including stores, offices, housing and entertainment.

La Valentina Infrastructure Improvements is in support of economic development activities in the area.

**Total Federal Amount of ARRA Expenditure** 1456853.18

**Total Federal ARRA Infrastructure Expenditure** 1224853.18

**Infrastructure Purpose and Rationale** Both projects provide investments needed to increase economic efficiency, investments in transportation, and environmental protection that will provide long-term economic benefits and foster energy independence whereby they are both mixed-use, TOD, LEED certified projects. Such projects seek to create a balance between housing and jobs, reduce travel time for commutes, reduce congestion by providing alternative modes of transit that equate to less energy use and air pollution.
