<p>Quarterly Activities/ Project Description The Auburn Boulevard Streetscape project is an existing project supported with annual CDBG entitlement funds. CDBG-R is intended to invest in transportation and/or other infrastructure projects that will provide a long-term economic benefit. CDBG-R specifically recommends grantees identify activities previously approved to receive funding from its regular 2009 CDBG allocation and consider whether activities could be accelerated by being funded with CDBG-R. The Auburn Boulevard project meets this requirement. The project is in design with a commitment of \$500,000 of CDBG-R funding.</p> <p>Homeless prevention activities meet the intent of the CDBG-R funds by utilizing the public service component to assist those most impacted by the recession. CDBG-R public service funds provide an additional opportunity for longer lasting system improvements, shifting from a system organized around shelter to one centered on prevention and housing stability. HUD encourages a coordinated process with central intake and community wide tools to assess the individual's risk of homelessness and housing needs.</p>
