**Conversion of Public Housing to Project-Based Rental Assistance or Project-Based Vouchers under RAD:**

The Housing Authority of the City of Sacramento (HACS) may look to utilize the demolition/disposition for its property at 1725 K Street, to explore if it meets the requirements of obsolescence. This is an 80-unit 1-bedroom senior building which had been previously submitted for consideration of disposition. The exploration of the viability of demolition/disposition is part of the Housing Authority’s efforts to reposition its Public housing assets.

In addition, HACS may look into the conversion of its Marina Vista property (CA005000102) through a multiple phase approach. This is a 391 unit community that sits on nearly 30 acres of land in Sacramento, California. The Housing Authority may also explore if this property will meet the definition of obsolescence as it considers how to best reposition its Public Housing assets.

**Project Based Vouchers**

The PHA will apply for Project Based Voucher (PBV) assistance to improve, develop, or replace a public housing property or property that it controls or has an ownership interest in without using a competitive process.

**Units with Approved Vacancies for Modernization.**

Per 24 CFR § 990.145 (a)(2) and PIC Notice 2011-7 (HA), the Sacramento Housing and Redevelopment Agency (Ca005-City) is requesting consideration of the following units to be excluded in the Public and Indian Housing Information Center (PIC) under the applicable action category of Vacant HUD Approved.

**B.3 Progress Report.**

Provide a description of the PHA’s progress in meeting its Mission and Goals described in the PHA 5-Year and Annual Plan.

The Housing Authority of the City of Sacramento’s (HACS) mission is to revitalize communities, provide affordable housing opportunities and to serve as the Housing Authority for the City and County of Sacramento.

The PHA continued to provide quality housing that is affordable to the low, very low and extremely low-income households. **Significant Amendment and Substantial Deviation/Modification**  
The PHA hereby defines “significant amendment” and “substantial deviation/modification” as any change in policy which significantly and substantially alters the Authority’s stated mission and the persons the Authority serves. This would include admissions preferences, demolition and/or disposition activities and conversion programs. Discretionary or administrative amendments consistent with the Authority’s stated overall mission and basic objectives will not be considered significant amendments or substantial deviations/modifications.

If a significant amendment and/or substantial deviation/modification occur, the public process will include: consultation with the Resident Advisory Board, a public comment period, public notification of where and how the proposed change can be reviewed, and the approval by the Housing Authority Boards.

The Housing Authority of the City of Sacramento is also including its definition of substantial deviation to the PHA Plan to include the following language:  
As part of the Rental Assistance Demonstration (RAD), the Housing Authority of the City of Sacramento (HACS) is redefining the definition of a substantial deviation from the PHA Plan to exclude the following RAD-specific items:
